Indian Institute of Science Education and Research Mohali
Department of Mathematical Sciences
Admission to PhD Program : August 2020

The Department

Indian Institute of Science Education and Research Mohali was established in 2007 and started its PhD program in 2008. The current faculty in mathematical sciences consists of about 20 active researchers in broad areas encompassing Algebra, Analysis, Probability, Geometry and Topology.

Minimum Eligibility

Masters degree or a BTech degree with a good academic record (at least a high second class).

How to apply?

❏ Candidates **must** appear in NBHM PhD Scholarship Exam conducted by the National Board for Higher Mathematics. (Online application link ; https://nbhmscholarships.in)

❏ While applying through online admission portal of IISER Mohali, candidates must mention their NBHM PhD Scholarship written exam Hall Ticket Number. IISER Mohali usually starts accepting applications in the mid of February every year.

Selection

❏ Based on the performance in NBHM PhD Scholarship written exam some candidates may be invited for an interview at IISER Mohali.

❏ Based on the performance in the interview, some of them may be offered admission provided they have qualifications listed in A or B below. Preference will be given to those who fall in Category A.

Category A   Candidates have a source of funding, e.g. UGC-CSIR (JRF), DST-INSPIRE, NBHM PhD Scholarship, PMRF etc.

Category B   Candidates have a valid Graduate Aptitude Test for Engineering (GATE) score or UGC-CSIR(LS).
