Venue: All 101 classes will be held in LH3 and 201 classes will be held in LH4

Who should attend these sessions?

All students who are probation/warning/reinstatement.

Any student who has not been doing well in a particular subject.

Any student who feels that he/she needs help in a particular subject.

Attendance record will be maintained

The first sessions this week will be used to introduce you to this program and get your feedback to fix up a final time table.

Your tutors will let you know more details about how these sessions will be conducted.

Please make good use of these sessions.

Best Regards,

Dr. N. G. Prasad
