1.	(Tell the number of suicides by students in all categories of education department till date within 5 years?	The number of suicides by the students is one who belongs to General categories.
2.	What action has been taken by the education department to prevent the suicide of students?	In order to prevent such unfortunate events, Institute follows a bottom-up approach: a) There is peer group mentoring and a faculty mentoring system that has been implemented by the Institutes. Both of these counsel individual students in the times of crisis. b) There are two counsellors who have been employed by the Institute. One top of this the institute also has started the 24x7 online counselling service to help the students. c) The Institute maintains excellent sports facilities in the campus along with Yoga classes. All of these act as stress busters for students.
3.	What are the rule of action till date on those who mentally harass the students?	Any complaint of mental harassment is taken very seriously and upon receiving such complaints disciplinary proceedings are initiated.
