ANNEXURE-VII

Amendment to Tender IISERM (1675)24/25-Pur

As per the requests and queries received, here is the clarification. Bidders must comply with all conditions and specs as per this document as well as all other documents along with the original NIT document. Please check carefully all the sections (**Annexure –I, Annexure –II, Annexure –III, Annexure –IV, Annexure –V, Annexure –VI, Annexure –VII** (this document), and pre-bid answers) for more detailed explanations wherever it is applicable.

1. Technical evaluation shall be made strictly based on the original terms and conditions of NIT as well as this document.

2. **Annexure-I, II, III, IV, V, VI, VII** and the replies to the questions from the vendors also form a part of NIT.

3. If any vendor still desires to see the site, they are free to do so.

In view of this, all vendors and bidders are required to fully comply with our requirements as per technical specifications as expressed in original NIT, corrigendum and associated annexures.

“the ports refer to all ethernet wall sockets/ports.” Notice Inviting Tender, Page No. 28, Essential Criteria for Bidder, clause 3 and respective in the pre-bid answers, should be considered as “the ports refers to all active ports or IO ports or ethernet wall sockets”

There are two questions from one of the bidder. These are:

S. No.	Clause Heading	Page No	Clause No	Tender Conditions	Query of Vendor	Response
1	Eligibility Criteria for bidder	28	4	Works Experience: The bidder must have completed similar campus / building networking works in IISERs, IITs, NITs, any other INIs or Government academic Institutes/ Universities, Government organizations/state governments or Public sector Units in the last five years. The bidder must have successfully completed similar work during the last five years ending on the last day of month to the one in which tender is floated	We understand that 40% or 50% or 80% of ports means no of ports in switches. In clarification its been mentioned "The ports refers to all ethernet wall sockets/ports".	Here now, "ports refers to all active ports or IO ports or ethernet wall sockets"
2	Eligibility Criteria for bidder	28	6	Experience: The bidder should have at least five years of experience in supply, installation, integration, commissioning, and management of networking projects. Certified copies of PO and Successful Work Completion certificates clearly stating the completed work (as mentioned in Pt. 3) in the last five years to be submitted as proof.	Please clarify experience shall be atleast 5 years orduring last five years.	Please comply as per tender document
